

Innovative Plumbing LLC Needs Your Support Serving the Homeless in Las Vegas

LAS VEGAS, Nev., Sept. 19, 2017 (SEND2PRESS NEWSWIRE) – Most people know when they are going to get their next meal or where they are going to lay their head to sleep. That is not the case for over 9,000 homeless men, women and children in the community, says Innovative Plumbing Pros LLC. Las Vegas has the fourth highest rate of homelessness in the U.S. Many of these people are veterans, mentally disabled, or battered women (with young children) and they need our help!

Additionally, the Mission's non-profit thrift store uses their proceeds to aid in the care of the displaced.

Innovative Plumbing Pros LLC is partnering with the Las Vegas Rescue Mission and sponsoring the [6th Annual Walk a Mile in My Shoes](#) event.
