From the minute you arrive, you'll feel as if you've been whisked away to your own secluded oasis. Towering palms and hedges protect the house from the streetscapes, while indoors, revel in the luxury of space and casually

elegant design. The sleek, eat-in kitchen, with ample counter space, prep areas and stainless-steel appliances is striking. Whether you are cooking or catching up on the tales of the day, this light and bright haven is where everyone will feel instantly at home.

Enjoy a cozy breakfast or congregate around the island while you entertain or eat, or retreat to the adjacent living room which is separated by a dual-sided gas fireplace. Here, French doors, tall windows, and pocket sliders allow for the seamless fusion between indoors and outdoors, as well as flood the home with natural light.

It won't take long to tempt you out to the oversized, east-facing loggia. This covered space, resplendent in its contemporary appearance and brightened by new skylights, presents with thoughtfully zoned seating and dining areas. Nestled amongst manicured privacy hedges, a heated pool and spa beckons, while a formal dining room awaits on the other side of the gardens.

The carefully curated, modern styling continues with the master suite. French doors open up to blend harmoniously with the outdoors with custom cabinetry adorning the wall as well as a large walk-in closet. The epitome of elegance is the naturally lit, new master bathroom. Fringed by established landscaping which dispenses seclusion while you shower or soak in the freestanding bath, it also features full length storage cabinets and abundant vanity storage.

Guests can enjoy privacy with a first-floor wing tucked away from the living quarters and remaining bedrooms. This decadent space boasts a walk-in closet, luxury en suite, and also opens to pool and gardens. The first-floor plays host to a den, which could be converted into an additional bedroom, while a staircase leads you to the 2nd level where two more en suite guest rooms await.

Recently renovated to incorporate impact windows and doors, 357 North Lake Way also features new lighting, Carrier air-conditioning, a separate storage space, a cedar lined coat closet in the entrance foyer as well as ample artwork space throughout the home. An attached garage on the north side offers entry into the laundry room or acts as a service entrance off the kitchen.

Occupying an enviable location, with easy access to the beach and picturesque Lake Trail via Wells Road you'll look forward to living close to one of the most scenic spots in Florida. 357 North Lake Way is surrounded by the best of what Palm Beach has to offer from the close proximity to fine dining, Worth Avenue world-class designer shopping, award-winning golf and tennis, the famed Society of the Four Arts Gardens, Flagler Museum and The Breakers, and Palm Beach International Airport.
