As Director of Cost Segregation, Amar has become an expert in cost segregation and large fixed asset depreciation reviews for purposes of identifying Federal, State, and Property Tax benefits. Prior to joining KBKG, Amar spent 14 years at a Big Four firm focused on various specialty tax products, including Cost Recovery Solutions and Research & Development Tax Credits, serving corporate clients and partnerships in a variety of industries, including: retail, restaurant, manufacturing, healthcare, construction, and telecommunications.

As Director of Research & Development Tax Credits, Ian Williams brings extensive experience in the software, heavy manufacturing, aerospace, automotive, and consumer products industries to the KBKG team. Ian is also

well versed in defending credit claims with the IRS. Prior to joining KBKG, Ian spent 11 years at a Big Four firm specializing in R&D Tax Credits and Fixed Asset studies.

“We are pleased to have Amar and Ian as part of the team. Their knowledge and experience in Cost Segregation, Fixed Assets, and R&D Tax Credits are of great use to the firm and its success. The addition of our new directors will support the growth this market is currently experiencing, allowing KBKG to serve more Southeastern clients,” said [Jonathan Tucker](#), KBKG R&D Tax Credits Principal and leader of the Southeast practice.
