The dealerships are located where I-78 meets route 61 across from Cabela's.

The addition of Kelly Toyota and Kelly Hyundai will round out the Kelly Auto Group's list of dealerships to 12 franchises in eight locations consisting of Kelly Nissan on Route 33 in Easton, Chrysler/Jeep/Dodge/Ram, Buick/GMC, and Mitsubishi on the Lehigh Street Auto-mile in Emmaus, and Ford and Infiniti in Melbourne, Florida.

"Our goal has been to expand in the Greater Lehigh Valley and Eastern Pennsylvania and we've been watching the steady retail growth along Route 61

in Hamburg since Cabela's opened," commented KAG President Greg Kelly. "Toyota and Hyundai are sought after brands with large owner bases and impressive product lineups. That combination of great product and great people working at the dealerships made it the perfect time for us to expand to Hamburg. It's less than 20 minutes from Lehigh County and we'll make it even more convenient for our Lehigh Valley customers by offering online buying and home delivery.
