

Kiosk News for Oct. 2021 from the Industry Group and the Kiosk Manufacturer Association (KMA)

DENVER, Colo., Oct. 14, 2021 (SEND2PRESS NEWSWIRE) – October news from the Industry Group and Kiosk Association. InfoComm (AVIXA) is the biggest digital signage AV show in the U.S. KMA is official media partner. [See a list of exhibitors and information.](#) We have rated this as a “green light” for safety given the safety protocols exceed the recommended CDC guidelines.

Send2Press® Newswire

October 27-29 is the date and yes we have free passes. Contact craig@catareno.com for more info.

Our ADA and Accessibility committee is holding a general conference call later this month (28th) at 11am to discuss accessibility and self-service. There is limited space so contact us early as possible and Nicky will get back to you. Contact info is craig@catareno.com or call 720-324-1837 (Denver MT).

KMA works closely with the U.S. Access Board and has relationships with

entities such as the National Federation of the Blind and the RNIB. Key resources in the past include NCR and LG.

[NRF in New York](#) in January – preparations are underway for our booth. We will be showcasing accessibility in multiple form factors and in the POS space.
