“Bringing Matt and Paul on board bolsters our team’s entitlements and project management,” says Michael J. Kokes. “Their years of solid expertise, reputations and industry contacts strengthen Kokes Properties’ [real estate development mission](#) as the size and scope of our projects increase,” he adds.

Matt Stephens’ experience spans more than 15 years. The past five years, he served as Senior Project Manager at Toll Brothers overseeing construction, sales and marketing of Toll communities; including the largest Toll community built in New Jersey. During that period, he earned a Master of

Engineering degree from University of Alabama at Birmingham. Stephens also spent 10 years building custom homes at the Jersey Shore.

Paul Kavka is a licensed Professional Engineer in New Jersey and Pennsylvania. He brings to Kokes Properties years of experience overseeing project design, permitting, approvals and construction coordination. His tenure in the industry has focused on site planning, civil engineering design, project management, and construction. Kavka spent years with design firms including DW Smith Associates, Paulus, Sokolowski & Sartor, and was a partner in Gladstone Design, Inc. He graduated from the New Jersey Institute of Technology with a Bachelor of Science in Civil Engineering.
