

Lakewood College Awarded Military Friendly School

LAKEWOOD, Ohio, Sept. 27, 2012 (SEND2PRESS NEWSWIRE) – Victory Media, the premier media entity for military personnel transitioning into civilian life, has named Lakewood College to the coveted Military Friendly Schools® list. The 2013 Military Friendly Schools list honors the top 15 percent of colleges, universities and trade schools in the country that are doing the most to embrace America’s military service members, veterans, and spouses as students and ensure their success on campus.

“Inclusion on the 2013 list of Military Friendly Schools shows Lakewood College’s commitment to providing a supportive environment for military students,” said Sean Collins, Director for G.I. Jobs and Vice President at Victory Media. “As interest in education grows we’re thrilled to provide the military community with transparent, world-class resources to assist in their search for schools,” said Sean.

The Military Friendly Schools media and website – found at www.militaryfriendlyschoools.com – feature the list, interactive tools and search functionality to help military students find the best school to suit their unique needs and preferences. The schools on this year’s list exhibit leading practices in the recruitment and retention of students with military experience. These schools have world-class programs and policies for student support on campus, academic accreditation, credit policies, flexibility, and other services to those who served.

Lakewood College provides diploma and degree programs for top careers in business medical and legal fields. Every year thousands of active duty members, veterans and military spouses receive a quality, excellent education with no out of pocket expenses. Now in its fourth year, the 2013 list of Military Friendly Schools was compiled through extensive research and a data-driven survey of more than 12,000 VA-approved schools nationwide. The survey results that comprise the 2013 list were independently tested by Ernst & Young LLP based upon the weightings and methodology established by G.I. Jobs. Each year schools taking the survey are held to a higher standard than the previous year via improved methodology, criteria and weightings developed with the assistance of an Academic Advisory Board (AAB) consisting of educators from schools across the country. A full list of board members can be found at <http://militaryfriendlyschoools.com/board>.

A full story and detailed list of 2013 Military Friendly Schools will be highlighted in the annual “G.I. Jobs Guide to Military Friendly Schools,” in early October.
