

# LBA Ware Founder Lori Brewer Named to 'Leading Ladies' Category on 2017 'Women in Housing' list by The MReport

MACON, Ga., Sept. 5, 2017 (SEND2PRESS NEWSWIRE) – LBA Ware™, a leading provider of [automated compensation software](#) and [systems integration solutions](#) for mortgage lending and retail banking, announced that Founder and President Lori Brewer has been recognized as one of The MReport magazine's 2017 "Women in Housing."

Send2Press® Newswire

In its [profile on Brewer](#) from the September issue, the magazine noted Brewer's efforts to push the mortgage industry, "toward a digital evolution—one in which manual tasks are automated, time-consuming processes are easier, and the customer experience is more convenient from start to finish." The magazine also recognized the phenomenal results LBA Ware has achieved over the last year, including a 300 percent increase in clients.

Using LBA Ware's flagship automated loan compensation platform Compensafe, LBA Ware clients calculated more than \$400 million in compensation in 2016.

"As I told The MReport, I am a problem solver at heart, and when I was looking to start the post-military phase of my career, I found ample opportunity in the mortgage industry to use my programming and organization skills to solve some real problems," Brewer said. "For me, the reward is

always found in knowing that I've made even a small improvement by automating a previously manual task, and recognitions from industry observers, like The MReport, really are icing on the cake."

According to The MReport, this year's "Women in Housing" list "highlights 60 women making a difference in the [mortgage] industry." In addition to being featured in the magazine, honorees will also be recognized during the Women in Housing Leadership Forum, an event held on Wednesday, September 20 at 2 p.m. at the Five Star Conference in Dallas, Texas.
