

Leading Edge Veterinary Equipment Extends their Product Line into Anesthesia with the New Tec 3 Vaporizer

DENVER, Colo., Sept. 25, 2013 (SEND2PRESS NEWSWIRE) – Known for their “Does More, Costs Less” philosophy, Leading Edge just released a Tec 3 Vaporizer that doesn’t disappoint. The Tec 3 Vaporizer extends Leading Edge’s offerings into anesthetics and carries a 72 month warranty, longer than any other industry leader. The Tec 3 uses proven design principles to ensure output concentration is unaffected by flow rate, temperature differences, length of use, liquid level, or back pressure fluctuation within its clinical range.

“We are very excited to add the Tec 3 Vaporizer to our product line” says Scott Hopkins, Account Executive for Leading Edge Veterinary Equipment. “We’re confident this vaporizer will give veterinarians the highly accurate and consistent results they are looking for, while giving them piece of mind by offering a 72 month warranty.”

And as a special introductory price, Leading Edge is offering the Tec 3 for only \$999 including free shipping.

The Tec 3 Vaporizer by Leading Edge features:

- * Isoflurane.
- * Well-fill.
- * Positive-locking dial to prevent unintentional engagement.
- * Automatic flow rate and temperature compensation.
- * Large sight glass for at-a-glance liquid level monitoring.

Leading Edge Veterinary Equipment offers a broad product line of advanced medical equipment for veterinarians. Additional product lines include fluid management, sample processing, microscopy, imaging, and sterilization.

Leading Edge

distributors will be showcasing these products at the Southwest Veterinary Symposium on September 26 – 29, 2013.
