

# LendingQB President Binh Dang Designated to 'Top 40 Under 40 Most Influential Mortgage Professionals List'

COSTA MESA, Calif., Jan. 11, 2013 (SEND2PRESS NEWSWIRE) – [LendingQB](#), a provider of end-to-end loan origination software, announced that its president, Binh Dang, has been named to National Mortgage Professional magazine's Top 40 Most Influential Mortgage Professionals Under 40 list.

[National Mortgage Professional magazine](#) cites individuals who make the list as being executives who continue to forge forward, lead by example, set the bar high for education, professionalism and excellence in the mortgage industry. Dang is recognized for his industry contributions in developing high-impact mortgage technology solutions for mortgage bankers, banks and credit unions.

"I am honored to be recognized as a person who is making a difference in the mortgage industry," said Dang. "My entire career has been dedicated to developing leading-edge technologies that make lending institutions more efficient and profitable. I feel privileged that the magazine has acknowledged my past and continuing efforts to better the industry by way of utilizing contemporary technology."

Mr. Dang is currently the founder and president of LendingQB, a provider of browser-based end-to-end mortgage loan origination platforms that was officially launched in 2011 and has gained rapid adoption among mortgage lenders of all types. Mr. Dang also created PriceMyLoan, a successful best-of-breed mortgage pricing engine and automated underwriting system.

Notable in 2012 is that Dang created a highly effective technology assessment and due diligence model dubbed an [Enterprise Process Assessment \(EPA\)](#), which is a unique approach to helping lenders make better technology decisions. In addition, Dang rolled out an enhanced LOS platform in 2012 that has been [well-received and widely successful](#) in the industry as one of the leading loan origination technology solutions.

Dang is an active member for the Mortgage Bankers Association and regional trade groups, participates in industry events, serves as an expert speaker on panels and is a regular thought leader in the mortgage media. He holds a B.S. in Computer Science from the University of California at Irvine.

## **About LendingQB:**

LendingQB is a Costa Mesa, California-based company that specializes in loan origination technology solutions and services for the mortgage industry. The LendingQB LOS is a 100% Web-based, true end-to-end enterprise-class loan origination platform. The solution is designed to meet the needs of all types

of mortgage lenders-large or small, wholesale or retail, correspondent or Internet-based-with specialized tools that are targeted, customizable and flexible. LendingQB uses a consultative technology assessment approach before engaging with new clients, and places a strong emphasis on the utilization of data analytics to assist lenders in leveraging business intelligence, resulting in optimized organizational performance and lowered cost per loan.
