

# LIBERTY Dental Plan Selected to Participate in Covered California for Individual/Family Plans and for Small Businesses

IRVINE, Calif., Nov. 15, 2016 (SEND2PRESS NEWSWIRE) – LIBERTY Dental Plan (LIBERTY) is proud to announce its selection as a participating dental plan for the 2017 benefit year. LIBERTY will offer individual or family dental plans through Covered California this open enrollment period as well as coverage options for small businesses.

Send2Press® Newswire

Covered California's open enrollment period for 2017 coverage begins Nov. 1, 2016 and ends Jan. 31, 2017.

"LIBERTY Dental Plan is proud to bring affordable dental plan options to individuals, families and small groups through Covered California," said Dr. Amir Neshat, President and CEO of LIBERTY Dental Plan.

"LIBERTY recognizes and shares in Covered California's commitment to quality, affordability, preventive care, access and service."

LIBERTY Dental Plan has built a reputation of quality in commercial and government-sponsored dental programs, providing services to managed care

organizations, state governments, labor unions, large group employers, municipalities, and individuals. LIBERTY has a proven record of successfully increasing the utilization of quality dental care for multiple programs, ensuring that a larger portion of premiums are appropriated directly to care.

Both adults and children can enroll in Covered California's family dental plans as an optional benefit. There is no tax penalty for consumers who elect not to enroll in the family dental plan (and no tax credit for purchasers of the family dental plan).
