Lauded as “one of the most exciting and talented young artists in country music” (Forbes), Lindsay Ell is a triple threat: accomplished musician, unique vocalist and songwriter. Her first full-length album, “The Project,” debuted at No. 1 on the Country Album Sales Chart in August 2017 and was lauded as Billboard’s “Best Country Album of 2017.”

Following her breakout Top 20 hit at U.S Country radio and momentous No. 1 at Canadian Country radio with “Criminal,” Ell recently excited legions of fans via social media announcing her next single is the tantalizing and lyrically-mesmerizing “Champagne.” A song critics praise “demands your attention” (Taste of Country), “Champagne” officially hits airwaves in the U.S. on September 17.

Ell is currently supporting Sugarland’s Still The Same Tour and will soon

join Keith Urban's Graffiti U World Tour for select dates this fall before embarking on her Monster Energy Outbreak Tour headline run. Additionally, she is an Album of the Year and Female Artist of the Year nominee at the 2018 Canadian Country Music Awards, taking place in Hamilton, Ontario, Canada later this month.

"I'm so excited to be teaming up with the Monster Energy Outbreak Tour for my first headlining run ever," Ell said. "It's going to be a show we've never done before and I can't wait for fans to see it!"

"We've been a fan of Lindsay Ell since hearing 'Criminal' and are thrilled to have her close out another record-setting year for the Monster Energy Outbreak Tour. She's a guitar virtuoso with an incredible voice and captivating stage presence, well on her way to stardom in country music and beyond," adds Monster Energy Outbreak Tour Founder Steve Glazer.
