

Local RE/MAX Agent Recognized as Among Top 1 percent in National Report

CHICAGO, Ill., July 17, 2015 (SEND2PRESS NEWSWIRE) – Mike Kravitz with RE/MAX Premier Properties is among 2,090 RE/MAX agents and teams featured in the 2015 REAL Trends “America’s Best Real Estate Agents” report. The agents included in the survey represent less than 1 percent of all real estate practitioners in the United States. Kravitz has more than 20 years of experience in the Chicago market.

The REAL Trends survey, conducted in conjunction with online real estate search engines Zillow and Trulia, has emerged as a positive indicator of an agent’s performance in their local market.

“I have a great team of agents, marketers, legal advisers and partnered lenders, all focused in the Chicago luxury markets – Gold Coast, Streeterville, River North, and Old Town. We work hard to keep our numbers up – selling at 99 percent of the list price and averaging only 35 days on market,” said Mike Kravitz.

Of the nearly 10,000 participating agents who qualified, 1 in 5 is affiliated with RE/MAX. The survey is open to individual agents closing a minimum of 50 transaction sides or \$20 million in sales volume and team leaders with 75 sides or \$30 million in volume.

Earlier this year, two other annual industry surveys found that RE/MAX agents outperform their competition. In the REAL Trends 500 and the Power Broker Report, RE/MAX agents averaged more than twice the number of transaction sides as other agents participating in the two surveys.
