LOS ANGELES, Calif., April 5, 2016 (SEND2PRESS NEWSWIRE) – Alan and Judie Sherin recently completed an intensive training program to become certified vacation specialists and owners of a Dream Vacations travel franchise in Los Angeles. As a result of being part of the nation's leading home-based travel agent franchise network, their travel agency TourTakers Dream Vacations, has access to the best cruise and land vacation deals and exclusive, elite product and service offerings.

“Booking vacations can be very frustrating to the point of total confusion. There are just too many choices, special offers, lingo and general information overload on the Internet,” says Alan Sherin, co-founder TourTakers Dream Vacations. “By joining forces with Dream Vacations, we are able to provide our clients with a better, more personalized approach to vacation planning.”

To complete the certification program, the Sherins participated in-depth training and workshops including sales and marketing seminars; product briefings by major cruise lines; hands-on computer systems orientation introducing new agents to CruiseControl, a proprietary customer relationship manager, sales reporting and reservation system; and onboard ship inspections at the state-of-the-art Dream Vacations training center in Fort Lauderdale, Fla.

Consumers can browse the TourTakers new Dream Vacations website – <http://www.tourtakers.com/> – complete with a live search engine and booking capabilities, or contact them for expert, personalized guidance in planning memorable vacations. TourTakers walks clients step-by-step through the entire booking and planning process, from selecting destinations and excursions based on clients' interests to providing packing lists and enhancing special occasions.

As a Dream Vacations franchise, TourTakers is now part of the World Travel Holdings family of brands, one of the top travel retail networks in the world with incredible buying power with every major cruise line and many tour operators, resulting in exceptional low prices and exclusive offers such as upgrades, discounts and more.
