“We are very proud to join Movember in their critical mission,” said Tony Maglica, founder and CEO of Mag Instrument. “They are one of the leading charities changing the face of men’s health.”

“We’re excited to be joining forces with Maglite and as we honor the Dads in our lives, we are reminded about the important work that still needs to be done in men’s health. We continue our mission in helping men across the globe lead healthier lives in turn contributing to healthier families and communities,” said Elizabeth Phipps Drewett, U.S. Director of Corporate Partnerships, Movember.
