Matic was recognized for its digital homeowners insurance marketplace, which helps lenders and servicers integrate homeowners insurance into the mortgage process. Matic's proprietary technology reduces the time it takes to compare and purchase policies from an average of two to three days to about two to three minutes, greatly speeding up loan transactions and helping mortgage customers save money.

"These companies hold the most innovative and impactful technology in mortgage finance and continue to move markets forward with their new innovations," said HousingWire Associate Editor Kelsey Ramírez. "The future is bright for the mortgage industry, and it's because these companies

continue to push the edge of what is possible.”

“Matic adds value for originators, servicers and borrowers by making homeowners insurance an integrated part of the mortgage process,” said Matic CEO Ben Madick. “Since making our debut on HousingWire’s Tech100 list last year, we’ve built on our industry-leading offering by adding new tools for loan officers and expanding our lender, servicer and carrier partnerships. It’s an honor to be recognized again this year for our continued commitment to innovation.”

#### **About Matic:**

Matic is a digital homeowners insurance marketplace built for mortgage servicers and lenders. Matic’s proprietary technology analyzes data from loan origination and servicing software to give homebuyers multiple policy options within seconds – without any manual data entry or lengthy questionnaires.
