The SOC 2 Type II certification obtained by Matic verifies that the company’s internal security, privacy, confidentiality, availability and processing integrity have been established and effectively executed over an extended period of time. The audit report serves as an endorsement that Matic’s information privacy controls are appropriately designed to safeguard the data of its highly regulated mortgage industry clients.

“Matic is deeply empathetic to our clients’ need to protect homeowners’ sensitive data and comply with the complex regulatory standards governing their operations,” said Shaz Kojouri, VP of Legal and Compliance, Matic. “By meeting the industry’s most rigorous standards as certified by a third-party

auditing firm, Matic is demonstrating our commitment to being responsible stewards of the data entrusted to us by mortgage servicers and lenders.”

A licensed insurance agency in all 50 states, Matic also meets all requirements of the Real Estate Settlement Procedures Act (RESPA) and the Unfair, Deceptive or Abusive Acts or Practices Act (UDAAP).
