McCabe has served the Alabama commercial property management industry for more than 30 years. Her experience includes office, residential and healthcare management throughout the southeast. She holds an Alabama real estate license and is a member of the Building Owners and Managers Association (BOMA).

“We are excited to welcome Pam to McWhirter. Her knowledge of the healthcare

real estate industry will benefit our clients and our team as we continue to grow,” said Tanya Shubert, SVP, Management Operations. “Her background in healthcare management, understanding standards and experience with public and private owners make her a great asset.”
