

McWhirter Realty Partners Moves to Atlanta Galleria Office Park

ATLANTA, Ga., Jan. 14, 2015 (SEND2PRESS NEWSWIRE) – **McWhirter Realty Partners**, a comprehensive real estate services firm offering brokerage, property management and development service, today announced its relocation to the Atlanta Galleria Office Park in Cobb County, Georgia. The company also announces a significant increase in business during 2014, attributing the growth to financial institutions writing down REO assets, a rebound in residential real estate and land development, and increased management business.

“Our new location will enable us to better serve our clients and properties, which are primarily located in the twenty counties that surround metro Atlanta,” said **Barry E. McWhirter**, President and CEO. “The access to I-285 and I-75 is the ideal location for us.”

McWhirter Realty Partners also announces an increase of 15 percent from 2013-2014 in transactions and volume. Most notably, the company’s land development sales increased more than 50 percent compared to 2013. The rebound in residential real estate and land development market segments also contributed to this growth, including significant deals in Cobb, Cherokee, Fulton, Gwinnett and Oconee counties.

“We anticipate that land sales, including large tract sales, will continue to be strong in 2015 and prove to be successful for us,” said McWhirter. “We’re also seeing an increased demand for medical office leasing and development.”

The company serves the 20 county area of metro Atlanta and neighboring southeastern states.
