

MEDIA ADVISORY: ReverseVision Experts Available to Discuss HUD Changes to HECM Reverse Mortgage Program

SAN DIEGO, Calif., Sept. 12, 2017 (SEND2PRESS NEWSWIRE) – The following ReverseVision experts, whose expertise on the Home Equity Conversion Mortgage (HECM) ranges from HUD guideline interpretation to market analysis to education, are available for interviews regarding HUD's planned changes to the HECM program:

Send2Press® Newswire

- **Dan Hultquist, CRMP | Director of Learning and Development**
Expertise: HECM Education for Originators and Consumers

Dan Hultquist is an authoritative HECM educator who has trained more than 21,000 reverse mortgage professionals nationwide. He is a Certified Reverse Mortgage Professional (CRMP) and co-chairs the Education Committee for the National Reverse Mortgage Lenders Association (NRMLA). He also teaches continuing education courses that serve as annual requirements for CRMPs. Dan is the author of the book *Understanding Reverse*, which answers the top questions he has received as a national reverse mortgage trainer.

- **John Button, President and CEO**

Expertise: Market Analysis, Industry Impacts of HECM Regulation

John Button is a business-to-business executive, investor and entrepreneur with more than 30 years' experience in technology and business development strategies. As president and CEO of ReverseVision, John leads one of the country's fastest-growing technology companies as it serves an industry that is itself experiencing record growth.

- **Jamie Hopkins, Esq., MBA, LLM, CLU®, RICP® | Board Member**

Expertise: The Role of Home Equity in Financial Planning and Retirement Income

Jamie Hopkins is associate professor of taxation and co-director of the New York Life Center for Retirement Income at The American College of Financial Services. He also holds the Larry R. Pike Chair in Insurance and Investments at The College, where he teaches courses in retirement, estate planning and life insurance. Hopkins' law review articles have been published by the American and Pennsylvania Bar Associations and various periodicals. In 2015, *Investment News* named Hopkins one of its top 40 financial services professionals under 40. He has contributed expert commentary on the strategic use of HECMs in retirement income planning to such outlets as *Forbes*, *The New York Times* and *The Wall Street Journal*.

- **Jeff Birdsell, CMB | VP of Professional Services**

Expertise: HUD Guideline Interpretation, HECM Technology

Jeff Birdsell has been one of the reverse mortgage industry's most sought-after technology experts for 25 years. Over the course of his career, Jeff has produced some of the industry's most prolific software solutions, including Financial Freedom's Reverse Mortgage Analyzer (RMA) and ReverseVision's RV Exchange. He was a founding board member of the National Reverse Mortgage Lenders Association (NRMLA) and remains an active board member to this day, serving on both the HUD Issues and Education committees. He has worked closely with HUD over the years as a primary translator of the agency's guidelines into industry-wide technology protocols.
