

# Medical Care Alert Earns 6th Consecutive Angie's List Award

NORTHVILLE, Mich., March 14, 2018 (SEND2PRESS NEWSWIRE) – For the 6th year in a row, Medical Care Alert has received the Angie's List Super Service Award for outstanding customer service. This 2018 award follows Medical Care Alert's recent back-to-back "Gator100" awards recognizing the company's continued growth.

Send2Press® Newswire

Medical Care Alert is a national provider of personal emergency medical alert systems for senior citizens, providing 24/7 monitoring and protection in the event of a fall or other emergency.

"We are so excited to receive this award for the sixth year in a row," said Bryan Stapp, President of Medical Care Alert. "This achievement is unprecedented in our industry, and we are motivated to keep raising the bar for excellent customer service."

"The service providers that receive our Angie's List Super Service Award demonstrate the level of excellence that members have come to expect," said Angie's List Founder Angie Hicks. "These pros are top-notch and absolutely deserve recognition for the trustworthy and exemplary customer service they

exhibited in the past year and overall.”

Stapp also noted Medical Care Alert recently received its **second “Gator100” award from the University of Florida**, has an overall “A” rating with Angie’s List, and an “A+” rating as an Accredited Member of the Better Business Bureau (BBB).

“We provide a service that can save lives and provides peace-of-mind to family members; our clients expect and deserve exemplary customer service.” said Stapp.

Medical Care Alert offers medical alert systems for every lifestyle, including **mobile medical alert systems with GPS** location services, and AutoFALL automatic fall detection technology. Medical alert systems are available with no long term commitment, for around a dollar a day. Medical Care Alert’s systems are monitored 24/7 by EMT/EMD-Certified operators based in the United States.

The company recently introduced its latest **mobile medical alert system**, the HOME & AWAY *PRIMO*. Unique features of the HOME & AWAY *PRIMO* include “Track & Find” allowing caregivers to locate their loved one and the device on any web browser, and a long 4-day battery life on a single charge.

Angie’s List Super Service Award winners meet strict eligibility requirements, including an overall “A” rating grade, are in good standing with Angie’s List, passing a background check and abiding by Angie’s List operational guidelines.
