

MeetingOne, Inc. and Blue Sky Broadcast Announce Strategic Partnership

DENVER, Colo., Oct. 14, 2014 (SEND2PRESS NEWSWIRE) – MeetingOne, a leading global Adobe Connect web conferencing reseller and integrated proprietary audio conferencing provider, today announced a partnership with Blue Sky Broadcast, a key provider of online learning and virtual event solutions. Utilizing Blue Sky Path's seamless integration to Adobe® Connect™, the partnership allows MeetingOne to resell Blue Sky Path™ to corporations, government agencies and academic institutions. Path, a cloud-based learning management system (LMS), is specifically designed for media content from educational events.

"MeetingOne customers throughout the world use us as their one-stop source for virtual quality meetings and events through our easy-to-use audio, web, event conferencing outperforming technologies and personalized gold customer service," said Sophie Lal, Chairman and CEO, MeetingOne. "The opportunity to offer Path, an intuitive, easy-to-use mobile friendly event learning platform, as well as Blue Sky's event services will enable our customers to drive new engagements, create new revenue opportunities and further justify their commitment and investment in MeetingOne."

"Today's announcement is an exciting step forward for Blue Sky Broadcast," said Philip G. Forte, Founder and CEO, Blue Sky Broadcast. "As a Gold Partner for Adobe®, MeetingOne is one of the largest Adobe® Connect™ provider and key audio developer for the Adobe Connect platform. Their proven track record of facilitating such business communications as eLearning presentations, marketing webinars, day-to-day day meetings and large events will be further strengthened with the ability to offer Path to their global customer and prospect base."

MeetingOne and Blue Sky Broadcast are strategic partners, united to provide a comprehensive eLearning solution including Blue Sky PATH, a "best of breed" LMS, and Adobe Connect web-conferencing. The Blue Path Learning environment offers an API for a true connection to the Adobe Connect environment.
