

# MeetingOne Offering Audio and Web Conferencing Services Free for the Next 30 Days to U.S. Businesses affected by Snowstorms

DENVER, Colo., Feb. 27, 2015 (SEND2PRESS NEWSWIRE) – With snowstorms all across the United States, getting to the office has proven to be difficult and treacherous, says teleconferencing expert MeetingOne. With the roads becoming unmanageable, employees are working from home to wait out the storm. Breakdowns in communication with clients and co-workers will become challenging for many, along with delays in work productivity.

MeetingOne is allowing businesses to take back their workday by offering **audio and web conferencing services**, FREE to any U.S. business for the next 30 days so that employees can continue to work from home, safely and efficiently.

To get your free web and integrated audio trial, go to <http://www.meetingone.com/IntegratedTrial/> and fill out the form. Within minutes you will receive your free 30 days via email.

We encourage all business owners and employees affected by the storms to take advantage of this offer to help keep their business and work projects afloat by using our web and audio conferencing services on virtually any device.

## **Web and Audio Conferencing Products:**

Adobe® Connect™ is a web conferencing platform for web meetings, eLearning, and webinars. It powers mission critical web conferencing solutions end-to-end and enables organizations to fundamentally improve productivity. Adobe Connect allows invitees to easily attend your meetings from the desktop without requiring a client download, and offers complete mobile-to-mobile collaboration capabilities to address the realities of today's business environments, where employees and customers are on the move worldwide.

AudioOne is an industry leading, full-service audio conferencing and integration solution providing the ability to highly control and manage audio for all of your conferencing needs. Whether you need an audio conferencing solution, traditional telephony, or an additional option for VoIP, MeetingOne has you covered.

MeetingOne® is a Global full service audio conference and web conferencing, **eLearning, event solution and consulting services** provider. Since 1999, MeetingOne has enabled businesses, educational and governmental institutions around the world to communicate and collaborate more effectively, by using a combination of powerful proprietary technologies, personalized services and partners' best of breed products such as AudioOne and Adobe® Connect™. MeetingOne is headquartered in Denver, Colorado with international locations

in France and Belgium.
