

Mid America Mortgage CEO Jeff Bode Recognized by MPA in '2018 Hot 100'

ADDISON, Texas, Feb. 8, 2018 (SEND2PRESS NEWSWIRE) – Mid America Mortgage, Inc. (Mid America) announced today that owner and CEO Jeff Bode has been honored by *Mortgage Professional America* (MPA) magazine in publication's sixth annual Hot 100 list of mortgage industry professionals who have made a notable impact over the past year.

Send2Press® Newswire

Under Bode's leadership, Mid America Mortgage has built a reputation for innovation and efficiency as one of the mortgage industry's foremost adopters of eMortgage technology and digital mortgage processes. Most recently, Mid America introduced Click n' Close, a digital mortgage approval and closing platform that provides home buyers with a fast, simple and secure experience by automating many of the steps of a traditional mortgage process. To launch their proprietary e-mortgage POS, Click and Close has become the "Official Mortgage Provider of NASCAR®" and will be featured as a primary sponsor of the No. 43 car driven by Darrell "Bubba" Wallace Jr. for at least three races, making its debut at the 2018 Daytona 500 on February 18.

Other significant accomplishments achieved under Bode's leadership include the adoption of eClosings and eNotes by Mid America's retail lending

channels, the establishment of eCorrespondent to purchase eClosed loans with eNotes, and a partnership with Spectrum Mortgage Holdings to provide eWarehouse lines for its eCorrespondent division.

“I believe that adhering to two main principles has led to the success of Mid America,” said Bode. “Foremost, I remain squarely focused on the long view. For me, that ‘long view’ is dedication to engaging in good, safe, sound lending practices at a reasonable margin and making strategic investments to achieve sustainable growth. Equally as important to our success has been the top quality talent that we have cultivated throughout Mid America. My attitude has always been to hire smart and empower your talent to succeed.”

The 2018 Hot 100 list includes professionals from every sector of the mortgage economy. Winners are selected by *MPA* magazine editors from nominations submitted by mortgage industry professionals. Honorees represent the 100 most influential “power players who are making their mark on the industry” today. To view the full list, visit <https://www.mpamag.com/contents/e-magazine.aspx?id=91568>.
