“Mid America Mortgage is proud to call North Texas home. As much as this community has given to us, we feel it is incredibly important to pay that success forward by giving back to our community through volunteerism and matched donations,” said Mid America Owner and Chief Executive Officer Jeff Bode. “We are pleased to partner with Services of Hope to aid in their efforts to combat poverty in the Dallas area. In addition to our donation, Mid America employees will be volunteering their time with Services of Hope because we believe charity is about giving both your time and money.”

The funds from Mid America will be used to provide services such as temporary financial assistance, known as Services of Hope's Redemption Grant; senior,

elder and medical transportation; school uniforms and shoes; non-food essentials such as furniture and bus passes; and internship and workforce clothing. Services of Hope will also use the donation to provide support to individuals in the City of Dallas who have been economically impacted because of the COVID-19 pandemic and poverty.

“Services of Hope would like to thank Jeff Bode, his family and Mid America Mortgage for their generous donation and partnership toward the Drivers of Poverty Project,” said President and CEO of Services of Hope, Dr. Daniel B Prescott. “Community service is the mortgage we pay for our house in heaven.”
