

# Mid America Mortgage Receives '2021 Best Mortgage Companies to Work For' Honors for Second Straight Year

ADDISON, Texas, March 30, 2021 (SEND2PRESS NEWSWIRE) – Mid America Mortgage, Inc. (Mid America) announced today it has been named one of the “2021 Best Mortgage Companies to Work For” for the second consecutive year by mortgage industry trade publication **National Mortgage News**. Mid America was one of 50 lenders recognized nationally. The firm was also included in the “Best Large Mortgage Companies to Work For” list, which includes mortgage firms with 500 or more employees.

This annual survey and awards program was designed to identify, recognize, and honor the best employers in the U.S. mortgage industry. **National Mortgage News** honored all the winners and revealed the final rankings in a special report published in March.

“We’re honored to be included in this list for the second consecutive year,” said Mid America Owner and Chief Executive Officer Jeff Bode. “This award is especially gratifying because it’s based on the employee’s perspective. We’ve strategically built an organization of highly talented people, we’re proud to have built an environment they all enjoy.”

Companies from across the United States entered a two-part survey process to determine this year’s “Best Mortgage Companies to Work For.” The first part consisted of evaluating each nominated company’s workplace policies, practices, philosophy, systems, and demographics. The second part consisted of an employee survey to measure the employee experience. The combined scores determined the top companies and the final ranking. Best Companies Group managed the overall registration and survey process, analyzed the data, and determined the final rankings.
