“We are very excited to bring someone with Chris’ account management experience aboard,” says Mike Marshall, chief operating officer. “He will be an integral part of our business growth, allowing us to bring our commitment and help to even more clients.”

“I am thrilled to join Mold Inspection Sciences Texas, and, more specifically, a team that leads the industry standard for outstanding customer service and mold inspection expertise,” said Chris. “Mold inspection Sciences’ commitment to its customers is unparalleled, and I’m honored to be

a part of helping so many others out there who are suffering from mold and air quality issues.”

## About Mold Inspection Sciences Texas:

Mold Inspection Sciences Texas – <http://www.moldinspectiontexas.com/> – was founded in 2007 by CEO Michael Bains with one simple goal in mind: to provide affordable, professional, and high-quality mold inspection and testing services to people across Texas suffering from the nuisance of mold. Over the past 12 years, MISTX has successfully performed and solved thousands of investigations, providing safer and healthier conditions for a wide variety of clients to thrive in.
