

Mortgage Capital Trading Relocates Headquarters to Larger Facility

SAN DIEGO, Calif., Jan. 16, 2014 (SEND2PRESS NEWSWIRE) – [MCT Trading, Inc.](#) (MCT), a recognized leader in mortgage pipeline hedging, outsourced lock desk and risk management services, announced that it relocated its corporate headquarters to a larger facility. The move provides MCT with the necessary infrastructure to accommodate its increasing growth and the capacity to continue delivering elevated support to clients.

MCT's new building nearly triples its space and is equipped to house double the number of employees. The new office is located near its previous location in downtown San Diego, which overlooks PetCo Park where the Padres baseball team plays.

The increased space allows MCT to add more trading analysts, which supports MCT's unique customer service model that assigns each client its own dedicated trader. This personalized assistance provides clients with immediate responses to any questions or needs they have throughout the trading day.

"As we grow, we want to do so at a healthy, controlled rate so we are able to continue delivering on our promise and company wide mantra of being a 'trusted capital markets partner for our customers' while providing the highest possible levels of hands-on customer support," said [Curtis Richins](#), president of MCT. "We've had significant growth over the past few years and have successfully scaled up multiple times to accommodate new clients."

In early 2013, MCT surpassed its 100th client that is using its [HALO](#) (Hedging And Loan-sale Optimization) hedging model. Additionally, the growth of MCT's outsourced [lock desk service](#) grew exponentially in 2013, adding to the company's need for additional office space to house its growing team of Lock Desk Analysts, as well as Trading Analysts.

MCT's new address:

350 10th Avenue, Suite 850

San Diego, CA 92101

* All telephone numbers remain the same.

MCT has been named to the Inc. 5000 list two years in a row and also earned a spot on the prestigious Inc. 500 list. The company is comprised of a group of senior mortgage banking professionals that have years of deep experience in capital markets analysis and trading.
