

Mortgage Technology Magazine Names Quandis Client Specialized Loan Servicing a Top 25 Tech-Savvy Servicer

FOOTHILL RANCH, Calif., Nov. 2, 2012 (SEND2PRESS NEWSWIRE) – [Quandis, Inc.](#), a leading provider of default management technology solutions, announced that its client, [Specialized Loan Servicing \(SLS\)](#), a servicer of residential mortgage loans, has been designated a 2012 Top 25 Tech-Savvy Servicer by Mortgage Technology magazine.

The magazine cites that companies named to the list have demonstrated an ongoing commitment to using technology and regularly implementing new innovations to produce marked business process improvements. In addition, the magazine evaluates how lenders and servicers are utilizing technology in ways that are exemplary for the rest of the mortgage industry.

Utilization of Quandis' configurable business rules management system (BRMS) contributed to SLS' inclusion as a Top Tech-Savvy Servicer. The addition of Quandis' BRMS, dubbed 'Quandis Business Objects' (QBO), extends SLS' integration with Quandis' valuation portal.

"Having our solution being a key component of the technologies that collectively played a role in SLS making this year's Top 25 Tech-Savvy Lenders and Servicers list is a huge honor," said [Scott Stoddard](#), CEO of Quandis. "SLS' commitment to the use of leading technology benefits investors and borrowers. We feel privileged to be a part of the technology stack that helped them earn a spot on Mortgage Technology magazine's highly regarded list."
