

# MostFit Partners with Power Systems in an Exclusive Product Distribution Arrangement

LOS ANGELES, Calif., Nov. 22, 2016 (SEND2PRESS NEWSWIRE) – MostFit has joined forces with leading fitness product provider, Power Systems, in an exclusive distribution arrangement. Starting December 1, 2016 sales of all MostFit products will run through Power Systems.

Send2Press® Newswire

“This is such an exciting milestone for us because it consolidates all sales and distribution to one entity, allowing us to focus on the education and training surrounding our product line, as well as marketing, and new product development,” says Andrew Gavigan, MostFit Founder and Owner.

Power Systems is focused on being a resource to their customer by delivering targeted solutions and providing a great customer experience, and is in a position to fully service all customers, from gym chains to small fitness studios to hotel fitness centers to the military, and everyone in between. MostFit and Power Systems will sync up marketing efforts and conference presence as well, to gain efficiencies and grow the product distribution.

“We are proud to partner with MostFit and be their exclusive distributor. MostFit’s focus on innovative product development and education align well with the goals of Power Systems and we are excited about the partnership,”

says Josh Goldman, Power Systems General Manager.

## About Power Systems:

Power Systems' mission is to advance health, fitness, and performance for everyone by being the resource who understands individual and collective goals then supplies targeted solutions to help Power Your Potential.

Founded in 1986, Power Systems is a leading developer and supplier of professional fitness products and is recognized throughout the sports and fitness industries for being a complete solution and providing an extraordinary customer experience.

## About MostFit:
