Throughout his successful sales career, he has led numerous sales teams as well as built and sold a technology company that serviced the financial industry.

“Paul is a proven leader with a commitment to building strong, successful client relationships,” said Jeff Sandman, co-founder. “His industry reputation, entrepreneurial drive and scale of experience are huge assets for Pendo as we continue to grow and expand our national presence.”

In addition, Steve Rouse has joined Pendo's sales team as Regional Account Executive for the Midwest. He comes to Pendo with more than 25 years of mortgage industry experience after working with companies such as Verus,

First American Mortgage Solutions and Credit Suisse.

“Steve is a great addition to our sales team. His enthusiasm, honesty and client dedication are core traits we look for when selecting team members,” noted Paul Wholley, VP of Sales. “In addition, his vast industry experience, especially in the Midwest, will help us build upon many great client relationships and open doors for new ones.”

About Pendo:

Pendo is a nationwide appraisal management company based in Lee's Summit, Missouri. The company was co-founded by two successful tech professionals, Jeff Sandman and Mike Peck, specifically to disrupt the appraisal management segment using advanced technology and severely elevated service standards.

The company's proprietary QC technology boasts numerous unique features that assure the highest levels of quality and compliance, while also reducing wait times, elevating service levels, boosting client engagement, and minimizing redundant activities. Pendo was founded in 2009 and is licensed to conduct business in all 50 states.
