

Native Rituals Tattoo of Oak Forest, IL is now a Tatt2Away Studio Center

OAK FOREST, Ill., May 11, 2016 (SEND2PRESS NEWSWIRE) – Rejuvatek Medical Inc., officially announces the Tatt2Away® non-laser tattoo removal system is now available for the first time in the greater Chicago area with Native Rituals Tattoo's Jimmy V Regalado and Randy Willard. Their Oak Forest location has come on board to offer to all its clientele certified tattoo removal as the first Tatt2Away Center in the state. Bringing into their high quality of service and products, the all natural system.

"We did our research," said Jimmy. "Becoming a Tatt2away Studio Center for us took us a while, but ... Tatt2Away was the only viable option for a studio to offer removing tattoos for cover ups."

Studios know that a large part of business are the past mistakes, the fading, old ink and 'backyard' artwork. You need a cost effective way, to take care of that ink, while gaining the additional income that bringing tattoo removal into the studio can bring.

"Because cover ups can limit to what you can do as an artist," Randy concluded, "Tatt2Away gives us and our customers unlimited options when it comes to the better art they ask of us."

Rejuvatek Medical is placing around the nation Tatt2Away systems offering a limited exclusivity to those tattoo studios that see the opportunity first and act on it.
