CBD Move Free’s current product assortment consists of three topical balms that contain CBD, CBG and CBN of varying ingredients/strengths and a hemp-

infused hand sanitizer marketed under the brand, Hemp Move Free.

All the company's products are currently produced in Colorado Springs, Colo. in a facility that is a shareholder in the business. "We have a number of products that have been formulated, tested and ready for release in 2021," states Roeser.

Currently, the brand is sold in hundreds of locations nationwide, across multiple verticals including chiropractors, drug stores, gyms, health/beauty stores, premier golf clubs, luxury resorts and tennis facilities. The company is growing and has just launched its Series A capital raise to fund the growth.

The company's growth was just highlighted in one of the industry's leading magazines, which can be viewed at this link <https://cbdmovefree.com/cbd-move-free-mv-article/>.
