

# New Innovative Program Help Home Buyers Save Thousands When Buying a New Construction Home

ATLANTA, Ga., Feb. 4, 2019 (SEND2PRESS NEWSWIRE) – The House Squad Real Estate SHOP, [TheHouseSquad.com](http://TheHouseSquad.com), a real estate brokerage in the State of Georgia, has announced their innovative 2 percent Cash Back Rebate (2 percent CBR) program for new construction home buyers looking to buy anywhere in the metropolitan Atlanta region.

Send2Press® Newswire

This program helps home buyers save several thousands of dollars in a single transaction. For example, if the purchase price of the property is \$400,000, the 2 percent CBR offers to refund \$8000 (two thirds of the broker's commission) to the home buyers upon successful close of escrow.

This is the highest rebate offered to home buyers in the State of Georgia.

This program applies only to new construction homes anywhere in the State of Georgia, and includes all essential real estate broker services, including contracts, negotiations and guidance from start to finish, except travel to visit the communities.

The House Squad is able to offer a 2 percent CBR to home buyers that assists in the search of their new home, visit the communities and model homes on their own, coordinate with the agent on site, and thereby reduce the costs incurred in purchasing a home.

The 2 percent CBR is exclusive to The House Squad and there are some additional terms and conditions that apply

The company is managed and operated by Violeta Marinova (Violet), a licensed real estate broker in the States of Georgia and Florida, and the founder of The House Squad Real Estate SHOP. She has been actively selling real estate for over 15 years and speaks 3 languages beside English. For years, she was associated with big name brokers, and was always searching for new business models, in order to be able to offer more value for less money, and create win-win situation for both the agent and the consumer. That's how The House Squad was founded.

Her goal is to educate homeowners of their options, and how they can add more to their bottom line when buying, selling or investing in real estate. On a personal level, she is a mother, grandmother, wife and a friend, and she has completed a half marathon 5 years ago. She also considers herself a self-taught lifetime student, loves to travel, read about mindset and personal development and growth.
