

New Mobile App from Cloudvirga Connects Real Estate Agents with Loan Officers on Its Digital Mortgage Platform

IRVINE, Calif., March 20, 2018 (SEND2PRESS NEWSWIRE) – Cloudvirga™, a leading provider of digital mortgage point-of-sale (POS) software whose enterprise technology is powered by the intelligent Mortgage Platform®, today announced the launch of a new mobile app that will enable real estate agents to collaborate with mortgage loan officers in real time. This native mobile app allows instantaneous and secure exchange of loan documents and communication between real estate agents and loan teams for a faster, more efficient mortgage experience.

The logo for Cloudvirga, featuring the word "CLOUDVIRGA" in a sans-serif font. The letters "CLOUD" are blue, "VIRGA" is green, and the "V" is a darker blue. The logo is centered within a white rectangular area that has a dark grey border.

The mobile app, available for both Android and Apple devices, makes it easy for real estate agents to check a loan's status, view and send pre-approval letters and upload purchase contracts from virtually anywhere. Real estate agents can also use the app to share leads with loan officers.

"Cloudvirga's new mobile app deepens the collaboration between loan officers

and real estate agents, which is critical to success in today's purchase-driven market," said Cloudvirga Co-founder Kyle Kamrooz. "Agents and loan officers now have access to our digital mortgage platform via a native mobile app that is both easy to use and incredibly powerful."
