

New Update! Coolmuster Data Recovery for iPhone iPad iPod, Brings Complete Safe Data Recovery Solution for iOS Users

NEW YORK, N.Y., Feb. 20, 2015 (SEND2PRESS NEWSWIRE) – Coolmuster Inc., a leading provider of data backup and recovery solutions for Android and iOS devices, continues to provide users the most complete and reliable products since its inception. Right after the long Christmas vacation, Coolmuster's developer Team took immediate action to upgrade its data security protection level – Coolmuster Data Recovery for iPhone iPad iPod 2.1.28 – into an advanced version in order to better help users solve complex data cases and restore lost personal valuable data from iOS Devices.

It would be a terrible thing if some key data was lost, and worse still, some users carelessly choose untrusted data recovery tools and cause further damage to their lost data. Therefore, it is very crucial to find a safe and reliable recovery tool to both guarantees the data safety and completely recover lost data.

Coolmuster Data Recovery for iPhone iPad iPod is a risk-free and very cost-effective solution for the users who need to restore lost data on iPhone, iPad. It can retrieve lost data from iPhone, iPad and iPod device due to the accidental deletion, water damaged, virus infection, failed to update iOS, unexpected shutdown or any other unknown reasons. Users can use the trial version to analyze and scan an iOS device directly, with no harm to the lost data or the iOS device; the whole process is quite secure.

There is a tutorial on how to solve complex data recovery procedures and no extra technical skills are required.
