

# New Update! EaseUS Todo Backup 5.5 Now Introduces Multi-Language Versions for a Better User Experience

NEW YORK CITY, N.Y., Dec. 28, 2012 (SEND2PRESS NEWSWIRE) – EaseUS Software as an innovative software developer for providing cost effective solutions for storage management and data protection, today released version 5.5 of its family of [EaseUS Todo Backup](#) products. The latest version now supports six languages, including English, German, Spanish, French, Italian and Japanese.

EaseUS provides software for important data backup/restore in case of any disaster. Its clients include home, SMB users, service providers as well as international corporations. It offers more backup tools than the built-in backup functions of the Windows Operating System and can handle complex scheduling scenarios. EaseUS Todo Backup has been the most enjoyable choice with an intuitive wizard-driven GUI.

EaseUS Todo Backup is a reliable and easy-to-use backup and restore solution for the data security industry. It has received 5-star reviews from many editors and enjoyed good popularity among millions of users all over the world.

From TopTenReviews: “Computers are wonderful tools, but often they can crash, causing severe data loss, and you are left with nothing. With Windows Server backup software, you can be prepared and avoid this all too familiar scenario. EaseUS Todo Backup provides a large assortment of advanced features and tools to prevent tragic data loss from happening to you.”
