

NHL Franchise Carolina Hurricanes Select Massey Consulting to Implement Intacct Financial Accounting

RALEIGH, N.C., July 29, 2014 (SEND2PRESS NEWSWIRE) – Massey Consulting (<http://www.masseyconsulting.net/>) has been selected by the Carolina Hurricanes to implement cloud-based Intacct Financial Accounting, the company announced today. The Carolina Hurricanes will use Intacct to track the financials of the franchise, each home game, as well as other entertainment events held at PNC Arena.

The Carolina Hurricanes accounting team selected Intacct Financial Accounting over other accounting solutions because of the way Intacct's dimensions could help them produce event-based reporting and will use Intacct's dashboard capabilities to distribute these event P&L flash reports to management stakeholders.

"Using Intacct, the Hurricanes' department and event managers will have more information at their fingertips, available anytime and anywhere, and the Hurricanes' accounting team will be able to distribute far more information about each event in a fraction of the time it took with their previous accounting system," says Philip Massey, President of Massey Consulting, which the Hurricanes have chosen as their Intacct Solution Partner.

"In addition to the transformational Intacct functionality and reporting, Massey Consulting was able to guide us on the best methodology to gain the financial insights we require," says Shaun Nicholson, Arena Accountant. "Massey Consulting will assist us with the implementation and set up of Intacct and be our local expert and partner."
