About Nick Hess

Nick Hess is an entrepreneur and business owner. He is a lifelong Oregonian. He grew up in Portland and graduated from Lincoln High School. At age 14, he started his first company—a residential IT business. With 21 years of real-world, business experience, Mr. Hess is well-versed in managing budgets, fostering relationships, and creating opportunities for growth.

Currently, he acts as CEO and owner of:

- **SureTec IT** (a cybersecurity and IT managed services provider located in Tigard, OR & Dayton, OH),

- **SureTel** (a nationwide VoIP telecommunications company),
- **Cookin' Class** (a cooking class business he owns and operates with his wife, Christy, in Tigard, OR).

In addition, he is father to a 9-year-old son.

About Vote Hess Campaign

Nick Hess is running for all Oregonians stuck in the middle of the political divide. He is looking to give a voice to those who feel forgotten and left behind.

Mr. Hess's campaign is focused on common-sense solutions for Oregon. As a business owner, he is comfortable making tough decisions, negotiating, and finding common ground.

His campaign will center around 4 main principles:

- **Transparency**
 - Building trust through transparency. Oregonians should be allowed access to budget information and data collected by state agencies.
- **Voice**
 - Giving Oregonians a voice through the creation of the Oregon Ideas Portal (www.ideasoregon.com). Every Oregonian—regardless of party affiliation—can directly voice their ideas, opinions, and concerns. Creating real change begins with a conversation.
- **Re-envision**
 - Establish accountability and realistic solutions to Oregon's drug and homelessness problem. Change the national image of Oregon and increase state tourism.
 - Additionally, he wants to reinvigorate the police force by giving them the tools they need to operate effectively in 2022.
- **Improve**
 - Modernize and future-proof both Oregon's digital and physical infrastructure by utilizing modern technology.
