The event will run Friday, May 28 through Monday, May 31, allowing active duty and retired service members to connect to a live notary public via NotaryCam's secure virtual signing room to legally notarize, sign and execute documents and agreements online from anywhere in the world.

"As a proud supporter of our retired and active duty service members,

NotaryCam is honored to be able to provide this token of gratitude to all who have served and continue to serve our country,” said NotaryCam founder Rick Triola. “While we can’t repay those who serve our country, we can show our appreciation by offering our remote online notarization services to military members at no charge this Memorial Day.”

Since 2013, NotaryCam has held its Help a Hero promotion for Memorial Day and Veterans Day. Current U.S. military service members and veterans who wish to take advantage of this offer need only notify their notary and present a valid military ID, Veterans ID or other proof of service during the promotion. Promotion applies only to NotaryCam RON services. For more information, please visit <https://www.notarycam.com/>.
