The HW Vanguard Award™ recognizes leaders of businesses contributing to the growth of the housing economy and its various sectors, including lending, servicing, investments, and real estate. This year's 52 honorees were chosen for the vital contributions made to their companies as well as the dynamic ways they are impacting the industry.

"In addition to representing a wide range of talent and expertise in the mortgage finance economy, this year's Vanguard honorees represent much of the change happening within the mortgage industry," Online Editor Caroline Basile

Triola's contributions to the changes in the industry can be summed up by what he considers to be his secret to success: "The secret to my success is plain and simple hard work – grinding it out on the field while most folks don't even know the game is being played."
