

Orange Leap Signs JMT Consulting Group As Authorized Partner

DALLAS, Texas, March 12, 2013 (SEND2PRESS NEWSWIRE) – Orange Leap (www.orangeleap.com) announced today that JMT Consulting Group, a leading national software and service provider, has been authorized as a reseller of the Orange Leap cloud-based Constituent Relationship Management (CRM) software solution.

“We are very proud to have JMT Consulting Group as part of the Orange Leap channel,” said Kent Hollrah, President of Orange Leap. “Their dedication to nonprofits, their success with nonprofits and their reputation in the sector is second to none as evidenced by their client base of over 2,000 nonprofit organizations throughout the United States and beyond.”

“Adding Orange Leap to our solution portfolio allows us to offer nonprofits a robust, cloud-based constituent relationship management system that not only addresses the day-to-day tasks associated with fundraising and donor management, but also offers significant costs savings that come with implementing a cloud-based solution,” said JMT Consulting Group CEO Jacqueline M. Tiso.

JMT Consulting Group is authorized to sell and implement cloud-based Orange Leap as well as support nonprofits using the solution.

“When we begin working with a nonprofit, we want to be able to assess their needs and only then make a recommendation,” explained Tiso. “Orange Leap allows us to have an additional solution to offer to nonprofits as well as address the market demand for cloud-based technology.”

About JMT Consulting Group:

JMT Consulting Group (<http://www.jmtconsulting.com/>) is a leading national provider of software and consulting services to charter schools, community healthcare organizations, nonprofits and governmental organizations. With over 2,000 clients across the country, JMT Consulting Group offers a variety of services including hosting, business process improvement, implementation, system selection and system integration as well as a broad portfolio of software solutions.

About Orange Leap:

Orange Leap helps nonprofits raise more money with fewer resources by streamlining the fundraising process with innovative technology solutions and collaborative support. A cloud-based, Constituent Relationship Management (CRM) technology solutions company, Orange Leap effectively manages donor and constituent relationships; processes donations and tracks gift history; and automates fundraising and marketing communications. Based in Dallas, Texas, the company works closely with nonprofits that are focused on reaching and engaging a wide range of missions and constituencies.
