

Pelton & Crane to Feature Hands-On Dental Lighting Display at Greater New York Dental Meeting

NEW YORK, N.Y., Nov. 15, 2012 (SEND2PRESS NEWSWIRE) – Dental equipment manufacturer Pelton & Crane will feature a new competitive dental operator light display at the 88th Greater New York Dental Meeting (GNYDM). The GNYDM, which takes place from November 23-28, is the largest healthcare and dental event in the United States.

The hands-on display, which will feature the [Helios family of dental lights](#), allows doctors to compare Helios lights to other dental lights on the market. The operator light display demonstrates how Helios lights provide an ideal light pattern, maximum shadow reduction and ease of use. The showcase was first revealed at the American Dental Association (ADA) Annual Session in October.

The Pelton & Crane display will be located at Booth # 3811. The booth will feature various Pelton & Crane dental equipment, including Helios lighting, the [Spirit series dental chairs](#), Renaissance and Classic dental cabinetry and dental sterilization equipment.

Pre-registration is free for all dental professionals and their guests. For more information on the GNYDM and registration details, please visit <http://www.gnydm.com/> .

Pelton & Crane, a leading dental equipment manufacturer, brings over 100 years of innovation and quality to the dental industry. Pelton & Crane offers a complete line of dental equipment including dental chairs, dental lights, dental cabinets and more. For more information, please visit <http://www.pelton.net/> .
