GLASTONBURY, Conn. and IRVINE, Calif., Aug. 3, 2018 (SEND2PRESS NEWSWIRE) – PowerGuard Specialty Insurance Services – a renewable energy program manager based in the United States – announced today the addition of warranty and service agreement specialist Dan Cantafi as the firm’s Senior Vice President of Sales and Marketing. He will be based in Glastonbury, Conn. and report to PowerGuard’s Co-Founder, Mike McMullen and COO Scott Gunnison.

Cantafi joins PowerGuard from The Warranty Group where he spent the past nine years as their Vice President of Sales, North America, and established key partnerships with eBay, Barnes & Noble, Haier, Motorola, Micro Center, Peloton, and Vizio.

Cantafi previously spent six years as Director, National Sales at Service Net Warranty, delivering a full range of service solutions including warranty management administration, extended service programs, customer service support, service network management, claims processing services, and service contract underwriting.

Said EPIC Holdings CEO John Hahn (a co-founder of PowerGuard), “Dan is a high energy professional and a top business development and relationship management specialist in the warranty space and we couldn’t be happier that he has joined to represent and promote both PowerGuard and EPIC’s recent acquisition, After Inc. This is a very exciting development for our clients and for our other business partners around the world.”

PowerGuard is the largest provider of an innovative 25-year, non-cancellable quality and performance guarantee solution to back up a solar module manufacturer’s own warranty terms. Guaranteeing warranty terms through the use of insurance provides the certainty manufacturers and their customers seek, as well as long-term stability for the industry.

The PowerGuard solution – available through EPIC Insurance Brokers & Consultants and other top retail insurance brokers globally – provides certainty and security to the solar manufacturer’s end customers, with warranty terms that are non-cancellable – surviving even insolvency and bankruptcy. Third-party rights to the policy in case the original solar manufacturer goes out of business are also offered, backed by the capital strength of top rated insurers.
