

# Pristine Rejuvenation Expands to Accommodate Growth

WEST BLOOMFIELD, Mich., May 6, 2022 (SEND2PRESS NEWSWIRE) – A bigger office suite means better patient care for Pristine Rejuvenation, a med spa that focuses on aesthetic injectables and skin rejuvenation treatments. Eman Dahmani, company Principal, announced that the new facilities were opened to handle the spa's steady growth.

Send2Press® Newswire

“We’re grateful to our patients, who’ve supported us and created the opportunity for us to expand,” said Dahmani. “We believe the aesthetic atmosphere and comfort of our new office suite is an extra amenity we can now offer to everyone who comes to us.”

Pristine Rejuvenation is conveniently located at 5642 W. Maple Rd., Suite 12 in West Bloomfield. The facility serves West Bloomfield, Farmington Hills, Troy, Auburn Hills, and other parts of the Detroit metropolitan area.

## **Treatments offered by Pristine Rejuvenation include:**

- Injectable Wrinkle Reducers (Botox, Xeomin, and Dysport)

- Dermal fillers
- Chemical peels
- Kybella (double chin treatment)
- Microneedling and microchanneling
- Laser treatments
- Laser hair removal
- Subnovii plasma technology
- Morpheus 8 fractional skin remodeling
- Teeth whitening
- Skin care
- and others.

The mission of Pristine Rejuvenation is to empower clients to achieve their personal aesthetic goals through their own unique experiences and values. The med spa believes in taking a natural and customized approach with each client and offers a wide array of services from injectables to full facial rejuvenation treatments.
