Promontory MortgagePath Wins Spot on HousingWire's 2021 Tech100 List of Most Innovative Mortgage Tech Companies

DANBURY, Conn., March 4, 2021 (SEND2PRESS NEWSWIRE) — Promontory MortgagePath LLC today announced it was named a 2021 HW Tech100 Mortgage winner. The industry trade publication HousingWire chooses this list of top technology companies in the mortgage space.

Send2Press® Newswire

HousingWire chose Promontory MortgagePath, a leading provider of comprehensive digital mortgage and tech-driven fulfillment solutions, for its work in, "simplifying and automating problems in the fulfillment space that, to-date, have been complicated and manual...Through its technology and mortgage fulfillment solutions, [Promontory MortgagePath] provides the scale and cost efficiencies that previously only existed at larger banks. With [Promontory MortgagePath], community lenders can continue to offer personalized service to their communities at a cost that allows them to compete with big brands."

"At Promontory MortgagePath, our goal is to level the playing field for community and regional lenders by equipping them with the tools to profitably launch, re-launch, and scale their mortgage operations," said Promontory MortgagePath CEO and Founder Gene Ludwig. "Our mortgage origination technology and fulfillment services allow community and regional lenders to leverage the power of a network, and we're increasing access to homeownership for everyone in the communities these lenders serve. We're thankful to the team at HousingWire for this 2021 HW Tech100 recognition."

According to HousingWire, "The Tech100 program provides housing professionals with a list of the most innovative and impactful companies that can be leveraged to identify partners and solutions to the problems that mortgage lenders and real estate professionals face everyday... For the second year in a row, the Tech100 program was divided into the HW Tech100 Mortgage and the HW Tech100 Real Estate to highlight the innovation and achievements of organizations within both sectors."

"After the uncertainty and unpredictability of last year, we expected a greater adoption of technology. However, these 100 real estate and mortgage companies took digital disruption to a whole new level and propelled a complete digital revolution, leaving a digital legacy that will impact borrowers, clients and companies for years to come," said Brena Nath, HousingWire's HW+ Managing Editor. "Knowing what these companies were able to navigate and overcome, we're excited to announce this year's list of the most innovative technology companies serving the mortgage and real estate industries."
