

Rapid Business Growth Prompts Energy Optimizers, USA Relocation to Downtown Dayton, Ohio

DAYTON, Ohio, Nov. 9, 2018 (SEND2PRESS NEWSWIRE) – The newly renovated facility is located at 620 East 1st Street, Dayton, OH 45402 and will benefit Energy Optimizer’s customers by offering better and more convenient access for their clients in the education, institutional and commercial industries. Clients will continue to work with their same Energy Optimizers, USA sales associates and energy engineers throughout and after this relocation.

Send2Press® Newswire

“Energy Optimizers, USA is a growing, stable company that has been an integral part of school district and municipal energy savings since 2009,” said Energy Optimizers, USA Vice President of Business Development, Belinda Kenley. “We save our customers valuable funds that originated as tax dollars, so we take our mission of energy savings seriously.”

To celebrate its relocation, Energy Optimizers, USA will host a ground-breaking ceremony that celebrates the interior and exterior renovations at their new corporate offices on Friday, November 16, 2018 at 10:00 a.m.

The ground-breaking will commence at 620 East 1st Street, Dayton, OH 45402. Join Dayton Mayor Nan Whaley, the Dayton Development Coalition, Dayton Area Chamber of Commerce, company associates, parent company The Habegger Corporation, developers, and managers in the celebration. The ceremony is open to the public.

The exterior renovations of the East 1st Street location have already begun. These facility renovations add to the strength of other corporate and community reinvestment projects underway in Dayton's downtown business and retail districts. The design work on the Habegger Building was performed by KBA, Inc. and construction work is being performed by Cincinnati Commercial Contracting.

Company associates of Energy Optimizers, USA are looking forward to being part of the vibrant Dayton business community. Belinda Kenley states, "We are excited about moving to our new Dayton office space in the Habegger building. This convenient location will allow us to work very effectively as a team to provide comprehensive energy solutions for local government, educational and commercial customers."

About Energy Optimizers, USA:

Energy Optimizers, USA works with educational, governmental, commercial and industrial customers to implement energy savings opportunities to reduce operational costs, including lighting retrofits, renewable energy projects (wind and solar), HVAC retrofit projects, building automation retrofits and energy education programs. The company was named to the INC. Magazine Top 500 list of fastest growing companies in the U.S. (2014), was named the Fastest Growing Company in the region for two consecutive years by the Dayton Business Journal (2013, 2014), and was named a finalist in the Dayton Business Journal Best Places To Work competition in 2016.
