## About ReAgg:

ReAgg (Recycled Aggregates LLC) is committed to providing quality products and services throughout Northern Virginia the Washington, D.C. and Baltimore metropolitan areas. We offers a full line of rock, crushed stone products, crushed concrete, sand, gravel and other quality materials.

Our team has built a strong reputation for integrity, professionalism, safety, quality control, efficiency, punctuality, reliability and customer satisfaction. Thirty-three years ago, our company started as a concrete

recycler; taking broken concrete, crushing and screening it into useful products. Over this period of time, we manufactured over 7 million tons of recycled concrete materials for use in local construction projects.

We are a privately owned and operated company headquartered in Capitol Heights, Maryland with ongoing operations in Washington, D.C., Northern Virginia and the Baltimore Metropolitan Area. We have a fully trained staff with many years of experience in the Aggregate, General Construction and Transportation Industry.

ReAgg, 8700 Ashwood Drive Capitol Heights, MD 20743.
