This exceptional anglo-carribean designed estate is just steps from Ponte Vedra Inn & Club situated on 100 feet of unobstructed oceanfront panoramic views. Boasting 11,500 sq. ft. of luxury living, this home was carefully designed and meticulously engineered by the talented William T. Baker. It is a home for the artistic connoisseur who appreciates a harmonious blend of traditional detailing and 21st century technology. Renowned interior designers Jim & Phoebe Howard created a mind-blowing voyage of your senses from the moment you enter this thoughtfully decorated home inspired by the colors of the ocean and sand.

This 7-bedroom, 7 bath, 2 half-bath spectacular property and residence are fastidiously maintained to flawless perfection, with luxurious A-Lister features while radiating a friendly tropical island feel. Inspired by custom homes in Charleston and 17th century homes of England, this mansion boasts unparalleled detail with no expense spared from the 10.5 inch reclaimed seamless heart-pine floors, to the handcrafted extensive crown moldings and wainscoting, to the Venetian glass chandeliers.

The formal living room's wall of windows open to soaring ocean views so captivating you will want to spend your days here relaxing in this sun-filled slice of heaven. Easily accommodate large dinner parties in an entertainer's dream dining room highlighted by a stunning Bob Christian custom painting. The practical, yet exquisite, large office has gorgeous custom cabinetry and striking polished cypress wood floors. Prepare your favorite meals in the beautiful professional chef's dream kitchen complete with top of the line commercial appliances, ample storage, and thick marble counters.

All 7 bedrooms that make up this masterpiece custom home are not only huge, but also unique, with stunning features like a domed ceiling guest bedroom and the noteworthy his and her master suite concept.

The one-of-a-kind cabana features the breathtaking commissioned Chihuly wall of sculptures inspired by the ocean's reef, magnificent mahogany doors and windows, and an antique mantel.

Live year-round in desirable climate bliss in this opulent solid concrete with layered stucco fortress situated oceanfront. Cool off in the boulevard-side sparkling pool surrounded by a large deck and enjoy the quintessential Ponte Vedra posh lifestyle. Glorious views from the home's multiple terraces and porches will certainly delight lovers of majestic ocean beauty. This home is an entertainer's dream as each space was designed to flow seamlessly into the next embodying its true connection to the ocean with its form and flow.
