

Residential Renovations Named by REMODELING Magazine to 2017 Big50 Class of America's Top Remodelers

TOLEDO, Ohio, Sept. 20, 2017 (SEND2PRESS NEWSWIRE) – Residential Renovations has been selected by REMODELING magazine to join the REMODELING Big50. Each year since 1986, the REMODELING Big50 inducts 50 remodeling companies that have set exceptionally high standards for professionalism and integrity through exemplary business practices, craftsmanship, and impact in their community or the industry at large. Big50 remodelers run successful, often growing, companies of various sizes that have taken the lead in raising industry standards.

“To give a sense of how unique this status is, consider there are roughly 92,000 remodeling firms in America with paid staff,” noted Craig Webb, REMODELING’s Editor-in-Chief. “Since 1986, we have selected only about 1,550 firms. That’s 1.7 percent of all the remodeling businesses in the country.”

“We are honored to receive this distinction,” says Scott Pratt, Sr., owner of Residential Renovations. “The BIG50 award recognizes excellence and leadership, and we are privileged to be named to this select group of

nationally recognized remodelers.”

REMODELING editors, columnists, industry leaders, and companies themselves make the nominations each year. Following a lengthy evaluation and interview process, the editors select the 50 companies who exemplify the best of the industry that year, and who have something to offer other remodelers in proven practices.

The Big50 selection process has become increasingly rigorous in recent years, and the result, REMODELING editors believe, is one of the strongest classes to date. “Uniting the 2017 inductees are high standards and a determination to excel. They are taking the opportunity to build or adopt new efficiencies into their systems and processes – ensuring they are poised to meet their sales, production, and customer-service goals and continue to thrive,” according to REMODELING.

The Big50 awards will be presented at a dinner at the Remodelers Summit and Awards Gala on Wednesday, September 27, 2017 in Minneapolis. The 2017 Big50 winners will be featured in the September issue of REMODELING, a national trade publication read by more than 150,000 professional remodeling contractors, with longer profiles of the winners posted on the REMODELING website, remodelingmag.com.

REMODELING, published by Hanley Wood, is the leading publication in the home improvement industry. REMODELING has and continues to be the indispensable tool remodelers cannot do without—delivering the business know-how, product and technical information home improvement pros need to help make smart decisions that will shape their success.
